

Prof. Heimburger Award

2023 applications now open

Established in 2008, the Prof. Heimburger Award aims to inspire the next generation of coagulation specialists and support novel research in the field of coagulation, thrombosis and acquired bleeding disorders.

Five winners will each receive a research grant of **€25,000** and the opportunity to present their research at the annual award ceremony.

How to apply

Eligibility

- Emerging investigators who hold a medical degree or PhD
- Clinical and/or preclinical research in the field of coagulation, thrombosis and acquired bleeding
- Applicants with less than 5 years faculty experience in this field will be preferred

Submission is simple!
